

SIMI SCIENTIFIC COMMITTEE

Section: Sustainable Environmental Technologies

Prof. Dr. Giuliano Tevi

ACTUAL POSITION

Rector of Ecological University of Bucharest

ACADEMIC QUALIFICATION

Associate professor

Bachelor courses:

- Hydrology and hydrogeology;
- GIS and Remote sensing;
- Infographic's;
- Pollution process modelling for groundwater and soil.

Master courses:

- Systemic Ecology and Climate Changes;
- Romanian groundwater resources and management problems;
- Natural environmental risks from the climatic anomalies;
- Environmental impact assessment on groundwater.

RESEARCH INTEREST

- Environmental impact assessment;
- Water resources protection and management;
- Monitoring network design of the environmental parameters;
- GIS and remote sensing - their use in environmental research.

SCIENTIFIC PUBLICATIONS / AWARDS

- Books and Chapters – 6
- ISI/BDI/ISI Proceedings papers - 10
- Papers in journals with scientific refereeing - more than 15.
