Welcome

Dear colleagues,

Welcome to the 21st edition of the International Symposium "The environment and the industry" to be held in Bucharest on September 20-21, 2018.

The symposium is aiming to bring together scientists, professors, consultants representing research and educational organizations, economic units, environmental authorities from all over the world in order to exchange their results, propose potential solutions to environmental issues and contribute to the integration of environmental dimension in the decision making process.

Do not miss the opportunity to exchange your works results with other environmental specialists from Romania and abroad.

We wish you a pleasant and fruitful stay in Bucharest.
